OUTDOOR

-

In perfect harmony with the entire LIAIGRE collection, our outdoor furniture is a constant balance of sophistication and comfort. Offered in a contrasting range of assamela, teak and wengé, wood that is adapted for the constaints of outdoor use, each design carefully matches the precious materials and characteristics that are typical of LIAIGRE.
The outdoor furniture collection which was originally designed for large interior architectural projects is the result of the need to blend into nature and favor the well being and spirit of each environment.
More than furniture, it is an art of living, where elegance and refinement go from a terrace deck to a garden by the sea.
