The *Aegean* Collection

Inspired by the majestic, towering cliffs of the natural Grecian coastlines, Rosemary brings you textural neutrals and cerulean shades of the Aegean Sea.

Starting with a focus on providing a Rosemary experience for outdoor spaces, The Aegean Collection is filled with breezy sheers and soft, practical indoor/outdoor textiles.

The Grecian vistas complement the versatility of the collection and fuse the essence of old and new, lending the perfect backdrop to inspire comfortable and luxurious outdoor spaces.

Welcome to The Aegean Collection.

A woman wearing a white dress and a wide-brimmed hat sits on a large, modular blue outdoor sofa. The sofa is positioned on a light-colored stone patio next to a long, rectangular infinity pool. The pool's edge is perfectly aligned with the horizon, creating a seamless transition between the water and the landscape beyond. The background features a lush, green hillside dotted with trees, including several tall, slender cypresses. In the distance, a body of water stretches towards a hazy coastline under a clear sky. The overall atmosphere is one of tranquility and luxury.
