### FUNCTIONAL POETRY

Tracy Glover, well known for her hand-blown glass table lamps, floor lamps and vases, has introduced new glass sconces and a selection of doorknobs with the same translucent crystal ball lure. Through your designer and boutiques nationwide.

### WONDER LAND

*Alice's Mirrored Cabinet* by Madeline Stuart in antiqued mirror and white-gold moldings comes in single- or double-door versions with an ice-blue lacquer interior. We can see it bedside, in an entry or the dining room. Custom colors available. Through your designer at Thomas Lavin, Pacific Design Center.
