The Amber series is a collection of glass pendants in a variety of styles, finishes and sizes including (shown left to right) Rain Fall, River, Bonita Cone, Flair Beaded Shade and Trumpet.

12 Leucos USA  
[leucosusa.com](http://leucosusa.com)  
The Zebra range of lamps comes with a square, rectangular or sloped drawn aluminum frame designed by S. Berlendis & Luxit. Available in white, gray and purple, and can be suspended or mounted.

14 Thomas Lavin  
[thomaslavin.com](http://thomaslavin.com)  
Michael McEwen's design of the Louver ceiling fixture is an interpretation of industrial lights in the Paris Metro rapid-transit system. The fixture is made of a vented metal cup that envelops a translucent glass orb.

13 Wildwood Lamps  
[wildwoodlamps.com](http://wildwoodlamps.com)  
The Sideways Pyramid Lamp has an alternating triangular pattern in silver leaf, a black recessed mounting and a polished-nickel finial.

15 Corbett Lighting  
[corbettlighting.com](http://corbettlighting.com)  
The Alter Ego sconce spells out the phrase "peace, love and rock 'n' roll" in polished nickel, and comes with a hardback shade.
