Chemetal introduces Factory and Factory Dark metal laminates, two industrial looks that are part of seven new designs. Factory, shown here, is rectangular with faux rivet holes. www.chemetal.com

The Indienne collection from **Villa Romo** combines traditional hand-blocked print techniques with intricate embroidery on both linen and silk. www.villaromo.com

From **Phillip Jeffries** comes Leo's Luxe Linens, a collection of three performance vinyl wallcoverings available in 13 colors, inspired by the look and feel of textured metallic linen. www.phillipjeffries.com

GardenWalls are vinyl wall murals that bring the outdoors inside. They can be custom designed to fit to any wall size, and are available in a range of color and pattern choices. www.gardenhousedecor.net
