NEW YORK MUST-HAVES

STREAMLINED, SCULPTURAL AND CREATED WITH METICULOUS CRAFTSMANSHIP, THIS COLLECTION OF MUST-HAVES FROM DENNIS MILLER ASSOCIATES OFFERS CLASSIC AND MODERN PIECES TO ENHANCE YOUR HOME.

1. Introduced by Michael McEwen in 2000, Gear Ceiling Light has become his signature design and a durable classic. Shown here in satin nickel and opal glass. mcewenlighting.com 2. Furniture artist Wendell Castle's iconic Sizzle table is as much sculpture as it is designer furniture. Made in one-, two-, three- and four-pods, the Sizzle has 30 wood options for the top, and the base can be lacquered in any color, from orange, pink or green to Avorio (SHOWN HERE) to a crackle lacquer finish. 4. The DK-06B Desk by Antoine Proulx was designed by Marc Desplaines this year to commemorate the 20th anniversary of his company. Featuring metal legs and finished back modesty panel, available in various wood, metal finishes and custom sizes. Shown here in American black walnut and bronze. *These signature pieces are available at Dennis Miller Associates, dennismiller.com.*
