Modern Major General

Now online and at flagship shop-in-shops (like Los Angeles and Costa Mesa), the smart new **West Elm Market** updates the general store with tools for contemporary living, whether paint-dipped rolling pins for the kitchen, garden-ready trowels and stakes, or shears for the mud room. Skills classes, pickles, preserves and exclusives (GreenPan cookware, Common Good soaps) are just the beginning from the S.F.-based company. westelm.com.

THE LIST

FRANCES MERRILL OF REATH DESIGN'S L.A. SOURCES

When Frances Merrill of solo design firm **Reath** (reathdesign.com) makes her mark—in the offices of Yifat Oren, Modcloth and a soon-to-open, Marfa-inspired barbecue joint, and haute-bohemian residences sprinkled across Los Angeles—you'll find everything from custom headboards layered with African textiles to Scalamandré's iconic zebra-prancing walls. Here, some of her favorite spots: • **MONROE WORKSHOP** An amazing furniture designer. monroeworkshop.com. • **PASADENA ANTIQUE CENTER** (pasadenaantiquecenter.com) for small oil paintings and old books to fill clients' libraries. **T.L. GURLEY ANTIQUES** (gurleyantiques.com) is on the same block. • **AMSTERDAM MODERN** They have a 5,000-square-foot Van Nuys warehouse of Mid-century Modern furnishings. Check out the Charlotte Perriand bar stools. amsterdammodern.com. • **POTTERY MFG. & DIST., INC.** in Gardena. Super-cheap, large terracotta pots. I have them painted matte—so pretty. potterymfg.com.

TIMELESS Each of **Erika Brunson's** reproduction armchairs gets a fresh lacquer this spring, plus detailing like Rococo shell motifs and Louis XVI-style acanthus carvings. Available at **Thomas Lavin**, 8687 Melrose Ave., Ste. B310, L.A., 310-278-2456; thomaslavin.com.
