Welcome to the July/August issue of *Luxe Interiors + Design*! Global style is an essential ingredient in design. So, in this issue, we take you on a tour of some of the best the industry has to offer worldwide, and introduce you to the international tastemakers who are shaping luxury design. It's sure to inspire! We had a busy season packed with exciting events. This past spring, we were thrilled to sponsor the La Cienega Design Quarter's Legends event, where we cohosted an intimate dinner at the magnificent Mass Beverly showroom with founders Mary Ta and Lars Oliver Hypko. Plus, *Luxe* Editor in Chief Pamela Jaccarino moderated a panel at the Marc Phillips showroom on "The Age Factor: Integrating Objects from the Past into Current Design," featuring panelists Annette English, Andrew Brown and Cliff Fong. We rounded out the week with our Legendary Lunch held at Marge Carson, celebrating the many memorable moments and highlights. It may be summer, but we are in the throes of planning our future marketing initiatives and events, including special advertorial sections on kitchens and baths and the upcoming holidays. Enjoy the issue!
