FABRIC & STEEL

Contemporary decorative pillows feature classic Fabric & Steel prints, hand-screened in Rhode Island and sewn in Brooklyn.

CARACOLE

From Caracole's handmade-to-order Yours Truly Collection, the Thriller swivel chair embodies midcentury modern design to perfection. Button-tufting detail, splayed legs and a winged silhouette bolster the vintage sensibility. Made in Virginia.

IRONWARE

ZOE BIOS CREATIVE

Maldives, part of the new ZBC Everyday Line, evokes the brilliant colors of turquoise waters and hot sands in abstract fashion, infusing the high-contrast composition with vibrancy.

ESQUE STUDIO

Hand-blown in Esque's Portland atelier, the Waterdrop Glass jug conveys a distinctive ombre color fade. Inspired by water ripples and raindrops, these luminous vases come in a variety of vibrant color choices.

JOHN POMP

Made in the designer's Philadelphia studio, the Tidal cocktail table emulates the flow of water with stunning acuity. A hand-poured meniscus glass crystal top crowns a sculpted, brushed brass base with polished details.
