ART IN DESIGN

At the Thomas Lavin showroom in the Pacific Design Center in Los Angeles, *Interiors* hosted an evening of art and design to celebrate the art curated by Edward Cella in the showroom. Clockwise from top left: the crowd gathers in the showroom; a pre-party vignette incorporating artists from Cella's gallery; Rocky Lafleur of Kneeder Fauchère with *Interiors* Editor-in-Chief Erika Heet and *Interiors* West Coast Director Jo Campbell-Fujii; Lavin's copper wingtips; a curated moment starring a painting by Rema Ghuloum, a Hellman-Chang sideboard, and the Tokyo table lamp by Kevin Kolanowski of Fuse Lighting.
